CARD II

AUNER, Kurt

MAYA 4804 Former chief of "security service" (Amt VI) in Rumania and an SS-Sturm-20 Feb 50 bahnhofsführer. Resides in Salzburg. Kluge (cover name of an OeVP source in Salzburg), states in a report of 22 Sep 49 that he has met Auner in a few times in the apartment of an American CIC agent. (This report also recorded in Operational Leads file.) This source states further that at the end of the war Auner, in Rumania, was holding in trust for Amt VI 2,000 Napoleons, \$50,000 and 20,000 Swiss francs. An Austrian police report, dated 3 Oct 49 and signed Alchholzer, confirms MGLA-945 and MGLA 1263-1264 (summarized above) by further indicating that Auner and cohorts were kept under surveillance by the Austrian police. (The fact that the police reports were given to the OeVP suggests that the police surveillance and reports submitted by Bolschwing (see above) may have been instigated at the request of the OeVP.) At 1800 hours on 30 Sep 49 Auner left Salzburg by car. Auner resides at Sigmund Hafnergasse 4, Salzburg, but maintains another apartment in Strobl, where he usually spends his Sundays. Walter Popan and Katharina Brandstatter are frequently seen with Auner. (See also the Operational Leads file.)
